

# Jesus Feeds 5,000 Men

(John 6:1-15)

Everywhere Jesus went huge crowds of people followed. One day Jesus asked Philip, "Where can we buy food for all of these people?" Philip told Jesus they didn't have enough money to buy food for everyone. Then a little boy brought Jesus his lunch of five small loaves of bread and two small fish. Jesus blessed the food and the disciples passed it out. When everyone was finished eating the disciples gathered up twelve baskets of leftovers. All the people knew they had seen a miracle.
